Prayer Guide

Hours 6:00 a.m. – 12:00 midnight

Pray 15-30 minutes each day – (you choose the time best for you)

On behalf of the 90/40 Celebration, I am sure that each of you are already praying for God's blessing upon this Celebration, as I have been also. I really felt lead to work with the number 7, God's number of completion. I would like for us to begin praying December 2009 through June 2010, total of 7 months.

Please remember this is not the prayer we do while we are driving our car or washing our dishes, but a time alone with God our Father giving Him our undivided attention.

By the grace of God I would like for us also to come together on a Conference Call & have **PRAYER** the 1st Saturday of each month, Starting January 2010 through July 2010. Time for this prayer will be at 6:00 a.m. EST.

I will send you a reminder, use our conference call number.
If any of you need to call me please feel free to do so.
Calling my cell is the best number **317-339-0932** day or night.

With Love & Prayers
