

What We Offer As An Organization

The Apostolic Assemblies of Christ was founded on March 20, 1970 as an ecclesiastical corporation under the statutes of the non-profit corporation laws of the United States. The purpose of the founding of the corporation was to provide an Ecclesiastical Body where all churches could feel free to worship God and where all churches would have representations on all levels. The Founder & Presiding Bishop G.M. Boone started with 7 Churches and currently there are 259 Churches worldwide. From the beginning, the Apostolic Assemblies of Christ had a set goal and purpose to its very existence in order to exalt the name of Jesus Christ:

- To preach and spread the gospel of Jesus Christ as taught by the Bible and exemplified by the Apostles to the glory of God that the world may be saved.
- To organize churches, conferences, councils and other Christian societies consistent with the faith of the Apostles.
- To send forth preachers, teachers, missionaries and other workers by licensing, ordaining or bestowing whatever act of the presbytery may be required to assist in reaching the world for Christ.
- To form a more perfect unity of the spirit, endeavoring to keep the same in the band of peace and earnestly contend for the faith that was once delivered to the saints.
- To propagate the faith of Jesus Christ and to adjust matters in the church by the authority of the church.
- To lift the fallen, care for the sick, assist in all the needs of the poor saints, strengthen the weak, comfort the distressed, show the lost the way of the cross and be ready to meet the Lord in the Rapture.
- To adopt by-laws governing the standards of the churches, to state what constitutes membership, its admission, suspension and expulsion; who shall control the temporal affairs of this corporation and how; the selection of officers, their term of office; the time and manner of meetings, official and unofficial; the way property, real and personal, may be obtained, held and disposed of; how the by-laws may be repealed, altered or amended and other matters relative to the operation of this corporation.

The Apostolic Assemblies of Christ teaches and preaches the baptism by both water and fire: the baptism is in the name of Jesus and the infilling of the Holy Ghost with the evidence of speaking in tongues.
